

Chinese Bible School

MONTHLY REPORT—April, 2017

The work of the Chinese Bible School has begun. Yolanda and I are settling in our office at the World Video Bible School. I have completed the 91-page translation work for the Genesis course notes and started studio recording.

Upon learning about our efforts, a minister in Taiwan wrote:

“Thank you for keeping us updated on your evangelism work in the United States. Praise God this work has been carried out according to the plan. May God bless you with wisdom and ability to complete this great work!”

The new online Chinese Bible School website is available. Now there are five programs on the site where the school material will also be. Please check it out at ChineseBibleSchool.org.

We have taken a residence in San Marcos, Texas and are attending University Church of Christ, where the elders oversee the work.

Lord willing, from May 20, 2017 through June 27, 2017, I will be traveling to California, Malaysia, mainland China, and Taiwan to proclaim the word of God, make contacts with congregations, seek support, and inform them of the online Chinese Bible School.

For your information, here are my upcoming speaking engagements.

Please remember that the free online Chinese Bible School operates for the Lord’s church to teach and evangelize the Chinese-speaking world. I must raise all the support for the school to operate. If you or your congregation can help in this vital work, we prayerfully ask that you would please do so.
