

# Chinese Bible School

MONTHLY REPORT—October 2019

Thank you very much for your prayers for the online Chinese Bible School work. We are so grateful for taking part in this great work that could potentially reach over a billion Chinese-speaking souls around the world. May the Lord bless you with abundant joy, peace, and love.

We continue to work on the lessons of *The Story of Jesus*. We have completed video recordings and post-productions of the lessons 33-37. The traditional Chinese version of the onscreen graphics for these 5 lessons are in review. In addition, the manuscripts of lessons 38-40 have been completed. The video recordings of these 3 lessons are scheduled in mid-November. We will soon be coming to the last week of the life of Jesus starting from lesson 41.

Our Tencent QQ online Bible study group continued the theme of the biblical word study. In October, we have studied the topics of “grace,” “ransom,” “perfect,” “providence of God,” and “covenant.” Some students gave their feedback regarding our online Bible study:

“I have gained so much biblical knowledge from each study no matter what topics of lesson were offered. Our recent biblical word study is very good also. After analyzing the words in Old and New Testament, I was able to comprehend the original meaning of text. Thank you so much for your effort.”

“I have been in this study group for a while. I think you have rightly divided the word. Your teaching is sound and logical. I am thankful for the grace of God that I can be part of this group to study the word of God. Thank you for your service.”

“Every lesson you offered in our study group is very beneficial to me, especially in understanding Christ’s humanity and his divine nature. I also learned that how righteous man’s prayer avail much and the prayer for the unity in Christ. Your recent teaching in Greek grammar allowed me to more precisely understand the word of God. Lord willing, I hope you will continue the online Bible study.”

We cannot appreciate more the opportunity to labor in Christ’s kingdom. We are thankful to our supporters for their continued generosity which makes this work possible. We hope you will consider to support this great work if you are not yet a supporter. If you know of brethren who might be interested in becoming part of our work, please forward this report to them or contact me at [chinesebibleschool@gmail.com](mailto:chinesebibleschool@gmail.com). Thank you very much!

**All the Chinese video online views were over 9,500 views in the month of October.**

**May the thanks be to the Lord, for it is His work we do.**
