

Chinese Bible School

MONTHLY REPORT—November 2019

We would like to express our gratitude toward our brethren in this Thanksgiving. Thank you so much for your prayers that we are able to continue the Chinese Bible School ministry in reaching over 1.4 billion Chinese-speaking people around the world. I am thankful for the opportunity to work in God’s kingdom. We pray that the seeds of the gospel will find good and tender hearts, grow into maturity, and bear fruits.

We continue to work on the lesson of *The Story of Jesus*. We have completed video recordings and post-productions of the lessons 38-40 this month. The traditional Chinese version of the on-screen graphics for these 3 lessons are in review. The *Story of Jesus* video lessons 33-40 both in simplified and traditional Chinese are scheduled to be posted on our website at ChineseBibleSchool.org by the end of December.

We are glad to know our online Chinese videos are put to good use by the brethren in Malaysia. One congregation used them to conduct Bible study on Sunday. Another congregation watched our videos in their monthly home meeting. We appreciate the brethren who take advantage of these available resources and help brethren to grow in the knowledge of truth.

Our Tencent QQ online Bible study group finished the last lesson of biblical word study—“The Judgement Day.” We switched our study to the story of Jesus. We have studied “the story around the Feast of Dedication,” “the parables of the lost coin, lost sheep, and prodigal son,” and “the parable of the unrighteous steward and the rich man and Lazarus.” I would like to share the words from the sisters of the group:

“Brother William, thank you for the effort you made in these years that helps me to grow spiritually. You explained the profound biblical knowledge in simple language that allowed a simple mind person as me to be benefited from your classes. I also like your compendious outlines and audio recording that allow me to listen and review the lessons again and again. I also shared your recording lessons with mother and others when car-pooling.”

“Thank you for your diligent online teachings. I was benefited from your classes very much. I also shared your lessons with other brethren....I hope you will strive to do your best and I will continue to share your lessons. We sow the seeds and God gives the increase if He will. May God continue to watch over you and bless your work.”

All the online Chinese video views were over 10,200 in the month of November.
