

Chinese Bible School

MONTHLY REPORT—October 2017

It is always exciting to hear about people obeying the gospel through the efforts of the brotherhood. Five brothers from the United States made a trip to several cities in mainland China this month. The Chinese DVD, *Where Do We Go When We Die?* was put to good use at the beginning of the Bible study wherever they went. Their trip resulted in two baptisms. Many thanks to brother Gene Clemons for his efforts to spread the gospel in China. Also because of him, more people in China learned about the ministry of the Chinese Bible School and expressed their keen interest in enrolling in the school.

A series of ten lessons on Exodus, both in Traditional Chinese and Simplified Chinese, have been completed and uploaded on YouTube for reviews. They will be made available to the public shortly.

I would like to share our brethren's comments from Southeast Asia:

Lesson three [Exodus] is very encouraging, especially when we are facing challenge in life and spiritual matter. Thanks for reaffirming that God has plans for everything and He will always get it done. We just need to keep believing in Him and press on to the goal. We are people of little faith. God needs to constantly repeat His commands to us. Thanks for the reminder via this video. I just forwarded this video to a sister that is troubled with some recent events that happened in the congregation. I believe this video and message from you will strengthen her greatly.

I hope and pray the Bible courses produced by the Chinese Bible School will provide not only the biblical knowledge but also applications to our lives.

During the last week of October, we recorded *Sabbath and the Ten Commandments*, a special study for the Chinese speaking world. We are currently in the process of post-production. I pray this video will help those Sabbatharians to know the truth and our brethren to defend the truth as well.

I am grateful for the privilege of making the treasures of wisdom and knowledge of Christ available to billions of Chinese via internet. May the Lord God bless this ministry for His glory!
