

# Chinese Bible School

MONTHLY REPORT—September 2017

We are excited to make an announcement about our website redesign and update the progress on the Exodus course.

The Chinese Bible School (CBS) website has launched with a new look and new content. The new version of [chinesebibleschool.org](http://chinesebibleschool.org) reflects what we have accomplished as of September 2017. This is part of an ongoing web redesign project. Please take a moment to explore the new site. We hope you find it a valuable source of Bible study and evangelism tool. Lord willing, I'll be filming the Exodus course in mid-October.

The new site offers free online topical Bible study and textual Bible study, both in Traditional Chinese and Simplified Chinese. The Genesis course, a brand new series of 11 lessons, is geared toward those who are interested in the origin of the world, the human race, the family institution, and much more.

We are encouraged by the fact that one of our Chinese videos, *Where Do We Go When We Die* on YouTube received over 50,000 views in the month of September alone. This shows people are concerned about the destiny of their souls. The same video will be uploaded onto Youku channel to make it accessible to the people in mainland China. We hope and pray many more Chinese people will be exposed to the biblical truth.

Lord willing I'll be teaching a new program, *Truth About The Sabbath* to help New Testament Christians to defend the truth. On my mission trip to Inner Mongolia this June, I came across two denominational friends who wholeheartedly believe Christians should keep the Sabbath. They argued that all the ritual ceremonies in the Old Testament were nailed to the cross (Colossians 2:14) and the "laws" have been done away. However, the "commandments" remain. This encounter compelled me to present an in-depth study online to help those Sabbatarians to find the truth.

What a blessing to have you as our fellow workers in the Lord's vineyard! Thank you so much for your loving support, which is essential to providing sound instruction from God's word to the online community around the world. May God continue to bless you richly as we spread the teachings of God's word together!
