MONTHLY REPORT—November 2018

We are grateful for the opportunity to engage in producing needed Bible school lessons. With God’s providence and the brotherhood’s support, we relentlessly focus on reaching 1.39 billion Chinese souls. A video project from conception to completion is a long journey. Thankfully, we were able to collaborate with the talented team this month at World Video Bible School for recording *The Story of Jesus* lessons 17-24, a chronological study from Matthew, Mark, Luke, and John. This enables us to move into the various stages of post-production—editing, creating on-screen graphics, and proofing. Lord willing, we plan on uploading this series of lessons to the internet by the end of December.

It is encouraging to learn that several brethren are taking advantage of the materials that we had the privilege of developing. A sister in Malaysia is zealous about sharing the released Chinese videos with those who are in the nursing homes on her weekly visits. In addition, an individual in mainland China made a request for sending him an E-book titled *Rightly Dividing the Word of Truth*. To gain a deeper understanding of the word of God, a college student is earnestly studying my commentary on the book of Romans.

We are excited about the growing numbers of weekly online Bible study via Tencent QQ voice chat since starting the course titled *Why My Savior Has to Die* on November 8, 2018.

Praise God for granting Taiwan the victory! Taiwan voters have successfully rejected legalizing same-sex marriages in a series of referendums on November 24, 2018. May those who uphold God’s law of marriage continue to relentlessly battle against the advocating of gay marriage and implementing LGBTQ-inclusive sex education in school in the future!

As we approach the end of 2018, may we all finish strong on sowing the seed of the Gospel of Jesus Christ!
