MONTHLY REPORT—November 2020

Year 2020 is definitely not easy to most people. Some feel like they are walking in the shadow of the valley and cannot see when or where the end is going to be. All the suffering and chaos in this world are the consequences of sin and therefore remind us that this world is not our home. We are longing for our home in heaven where there is neither pain nor sorrow. So brethren, let us look to Jesus, the founder and perfecter of our faith and strengthen our weak knees, continuing to walk on the narrow way which leads to our home in heaven.

After finishing the project of *the Story of Jesus*, our attention turned to a topical video lesson *The Biblical View of Marriage, Divorce, and Remarriage*. This video lesson was mostly duplicated from the video lesson *The Truth About Marriage, Divorce and Remarriage* by brother Don Blackwell. The video recording has been completed. We are in the process of video post-production, including video editing and putting together with onscreen graphics. We hope and pray that this final video lesson can be completed and uploaded to Chinese Bible School website at chinesebibleschool.org by the end of year.

We are glad the translation of last two chapters (chapters 5 and 6) of *Searching for Truth* by John Moore was completed and this concludes the translation of this great book. The manuscripts are being proof-read by a brother in China. All the comments and corrections will be sent back to us by the end of the year. We hope and pray that both Chinese traditional and simplified versions of *Searching for Truth* can be publicly accessible early next year.

Our Tencent QQ online Bible study group continues to study *Church History*. This month our focus was on the major events in the Dark Ages from year 476 to 1276. We studied how the simplicity of the eldership in the Lord's church was changed to the complexity of catholic hierarchy. The authority of the Bible was replaced by the authority of councils, cardinals and all the way to the pope, the universal "spiritual leader." The grace of God accessed by obedience to His word was replaced by performing sacraments according to Catholicism. How true it is that, when men no longer take the word of God as the standard of how we live, move and have our being, the gate of evil is then wide-open and welcomes all sorts of sins to enter.

Please continue to pray for the work of the online Chinese Bible School and support us if you can.

All the online Chinese video views as of November 30 of year 2020 were over 72,000.
