

# Chinese Bible School

MONTHLY REPORT—March 2022

Greetings from the Chinese Bible School. Grace to you and peace from our God the Father and the Lord Jesus Christ. We invite you to pray for the people in Shanghai, China. With the COVID positive cases 10,000+ a day (most of them have no symptoms), the city with 25 million residents is on lockdown and emerged as a testbed for China's "dynamic clearance" anti-COVID strategy, which seeks to test, trace and centrally quarantine all positive cases and their close contacts. The COVID isolation policy has separated COVID-positive children from their parents. People are struggling to buy food. We pray the brethren in the city remain at peace in mind knowing that God is with them.

We are glad we have completed all the manuscripts for the book of *Acts*. The video recording for the final 13 lessons (lessons 19-31) of the book of *Acts* is scheduled for the week of April 17. These lessons will cover the materials from chapter 15 to 28 of the book of *Acts*, telling the story of Paul's second and third missionary journeys and the trip to Rome.

We are thankful to brother Mat Cain at the World Video Bible School for his help in creating the Bible maps of Paul's Missionary Journeys, as well as for sharing the artwork used in the videos of the Bible Land Passages. These visual aids should draw the interest of the audience and create more understanding of the texts in the book.

Our weekly Zoom online Bible study is going well. We have completed all the lessons on studying the book of *Genesis* and initiated the study of the book of *Hebrews*. We have completed the first two lessons of the study including the scriptures in chapter one of the book. I have found more people joined in the Zoom meeting. Some of them were invited by one of the sisters in China. Many of them are not yet Christians. I hope and pray that our study will produce many fruits in the Lord's Kingdom.

I am glad that I have completed the work of translating an article by Dave Miller titled "Modern-Day Miracles, Tongue-speaking, and Holy Spirit Baptism: A Refutation." The preliminary translation was done about 18 years ago when I was working a secular job in California. However, the electronic file was lost but left only a hard copy. A few days have been spent to put back into an electronic format. The final texts are in review by the brethren in China. It will be available for download on the Chinese Bible School website when it is finalized.

**All the online Chinese video views on the first quarter of 2022 were over 214,000.**
