

# Chinese Bible School

MONTHLY REPORT—July 2021

Dear brethren, we are thankful for your prayers and support for the work of the Chinese Bible School. The Lord continues to use the school in producing biblical video lessons for more than 1.4 billion in the Chinese-speaking world. Let us continue to spread the gospel to the whole world that the great commission can be carried on until the end of the age.

We are glad the eight video lessons for the book of *Colossians* have been uploaded to the website of the Chinese Bible School. The links to access these videos are as follows:

For the traditional Chinese version: [chinesebibleschool.org/zh-hant-Colossians](http://chinesebibleschool.org/zh-hant-Colossians)

For the simplified Chinese version: [chinesebibleschool.org/zh-hans-Colossians](http://chinesebibleschool.org/zh-hans-Colossians)

The videos were also uploaded to the Tencent cloud located in China and can be viewed and shared by the group members in my Tencent cloud. While the public video channels such as YouKu and Tencent prohibit our Bible-related videos to be uploaded, sharing the video in my personal Tencent cloud is one of the few ways we can do to spread the biblical truth in China. For this, we are thankful.

The book of *Acts* is our next teaching course for video lessons. So far, we have completed the manuscripts for six video lessons covering the first three chapters. I am thankful for my wife Yolanda who is tireless in proofing the manuscripts and providing valuable comments from the audience point of view. From the review and revision process, I have come to a realization that we as preachers or teachers sometimes take what we know for granted while the average Bible students do not have the same level of knowledge. I pray for the wisdom and skill that I am able to present the profound biblical truth in simplicity.

Our Tencent QQ and WhatsApp online Bible study groups continue to study the book of *Acts*. We have completed 22 lessons and come to the 19<sup>th</sup> chapter of the book of *Acts*. On average, 25 to 30 students from China, Malaysia, and Taiwan attended this weekly online live Bible study. A few students were not able to join the class on time but would listen to the audio recording after each class. I appreciate the dedication of those who love the Lord and His word. May God continue to bless them and bless our study so the brethren can continue to be edified by the word of God.

“The grace of our Lord Jesus Christ be with you all. Amen.” (Philippians 4:23)
