Thank you very much for your prayers for the online Chinese Bible School work. We are so grateful that we are able to take the gospel to the Chinese-speaking world using internet and chatting APP while the pandemic is raging and affecting every corner of the world. May our Lord continue to bless you and keep you and your loved ones in His care.

We are glad that *The Story of Jesus* video lessons 48-54 have been completed and uploaded to YouTube. Please visit our website at <http://chinesebibleschool.org/> and share the link to the people who might be interested in our work. These lessons covered the stories from the farewell speech of Jesus to the cross of Jesus.

We are glad that the manuscripts of the final four lessons (55-58) of *The Story of Jesus* were completed and are being reviewed. The video recording of these final lessons will be taking place in mid-September. In addition, we also completed a manuscript of a topical lesson namely *The Biblical View of Marriage, Divorce, and Remarriage*. This lesson mostly translated from the video lesson *The Truth About Marriage, Divorce and Remarriage* by brother Don Blackwell. The Chinese brotherhood need to understand the fundamental truth about this topic. We hope and pray that this lesson will clarify some misunderstandings among Chinese-speaking brethren.

Our Tencent QQ online Bible study group has completed the study of the last week of the life of Jesus. It took us about once a week for seven months to complete this study. One student in China posted a few words in her Tencent QQ moment. She said, “The lessons of the last week of the life of Jesus, combining all four gospel accounts, have been completed after seven months study. The harvest is more than abundant.” Since then, more people were invited to our Bible study group by current members.

Our next series of QQ online study is *Questions and Answers*. In August, we have answered the following questions: the meaning of “in the name of the Lord Jesus,” the names of God in Hebrew, Greek and English, how to tell the false Christ/anti-Christ, how to prepare the coming of the Lord, the differences between miracle and providence, the meaning of Trinity, and how God answers prayers. Several individuals have expressed their appreciation for this series of study to solve the puzzles lingering in their mind. I am thankful for the opportunity to settle the minds of doubt and confusion. We will continue to answer the questions although some of them seem challenging and need time to study and prepare. May God bless those honest hearts that they may search the scriptures daily in order to come to the knowledge of truth.

All the online Chinese video views as of August 31 of year 2020 were over 46,500.
