## Chinese Bible School Monthly Report — April 2026

Dear brothers and sisters,

Time passes quickly, and before we realize it, one-third of 2026 has already gone by. As you read this report, may the peace and joy that come from the Lord continue to be with you and guard your hearts and minds.

During the month of April, the work of the Chinese Bible School has made encouraging progress. We have completed the video recording and post-production editing for the books of *James* (12 lessons) and *Philemon* (3 lessons), along with the final proofreading of all materials. These video courses will be uploaded to the Chinese Bible School website in May, making them available for Chinese-speaking individuals who are eager to learn God's Word.

Beginning in May, my primary focus will shift to preparing lessons for the upcoming Asia trip. In total, I will be preparing fourteen lessons—eight to be delivered in Malaysia and six in Taiwan. These lessons will be presented in a variety of formats, including English, Chinese, bilingual (English-Chinese), and Taiwanese. I humbly ask for your prayers—for wisdom and strength in preparation, and for safe travel as we depart for Taiwan on **May 20**. Yolanda and I are both excited and grateful as we look forward to this journey. It will be a meaningful time not only to reconnect with family, but also to reunite with brethren in Christ.

Even amid this busy season of preparation, our Thursday evening Zoom Bible study continues steadily. We have now completed the first five lessons in our study of the book of *James*. We thank God that around twenty participants faithfully join each week. Each session is also recorded and uploaded to the cloud for downloading and sharing. It is our prayer that through these efforts, more people will come to understand the teachings of Scripture more clearly and put them into practice in their daily lives—becoming lights in the world and bringing glory to our Heavenly Father.

So far this year, the Chinese Bible School has completed a total of 34 video lessons, each in Traditional Chinese and Simplified Chinese, and covering the books of *Second Corinthians*, *James*, and *Philemon*. The next series of courses, in sequence, will be *First Peter*, *Second Peter*, *First John*, *Second John*, *Third John*, and *Jude*. As I prepare these lessons, I personally continue to be strengthened and enriched—not only gaining a deeper understanding of the Scriptures, but also experiencing growth in my own spiritual life.

Finally, I would like to express my heartfelt gratitude to each of you who have faithfully supported this ministry through your prayers and financial contributions. Your quiet and steadfast partnership provides both the encouragement and the resources we need to continue this work. Your love and faith have become a channel through which the gospel is reaching many Chinese-speaking souls. May the Lord remember every labor of love you offer, bless you with peace and joy in this life, and grant you an eternal reward in the life to come. Let us continue to press forward together in His grace until the day we see Him face to face.
