MONTHLY REPORT—June 2024

Mission Trip to Malaysia and Taiwan (May 28 - June 17)

We are excited to share with you the highlights of our mission trip to Malaysia and Taiwan from May 28 to June 17. During this three-week trip, I had the opportunity to conduct seven speaking engagements and seven visitations. In addition, Yolanda and I enjoyed the time spent with our two aunts and their families, as well as with the dear brothers and sisters in Christ at the Skudai Church in Malaysia and the Hualien Church in Taiwan.

Bilingual Gospel Meeting in Skudai, Malaysia

The bilingual gospel meeting at the Skudai Church of Christ in Malaysia took place on the evenings of May 31 to June 2. The lessons presented during these three evenings were “Amazing Grace,” “Accessing the Grace of God,” and “The Blessings in the Grace of God.” By the grace of God, there were two baptisms at the end of the second day's meeting. One was a gentleman, Leon, from China. The other was a lady, Tihjn Jie Fung, who is a Chinese Indonesian. I would like to share the stories of these individuals.

Leon's Story

He is from China and is currently working in Singapore while his wife and two sons stay with his parents in China. He is an IT professional assigned by his company to work in Singapore for at least one year. He was invited to attend a gospel meeting last year and, since then, has been studying the Fisher of Men lessons for seven months. According to Brother Tee at the Skudai Church of Christ, Leon had no prior religious background and was eager to learn the word of God with a sincere heart. He was willing to repent of his sins. His friends and his wife have also noticed his transformation. At the second day's gospel meeting, he was ready to make his confession and be baptized into Christ. He is a great example of the good ground in Jesus' parable of the sower (Matthew 13:8).

Tihjn Jie Fung's Story

Tihjn Jie was born in Indonesia and came to Malaysia, where she got married and is now a mother of three children. Her oldest child (16 years old) is a Christian. She followed her sister to many churches, including Catholic and other denominations, and was “baptized” twice before coming to the Skudai Church of Christ. Even though she had attended Skudai church services for 8 years and studied the Searching for Truth course for many years, she had not yet been convinced to be baptized into Christ. It surprised the church members that she decided to be baptized at the end of the second day's gospel meeting. All the church members were excited to embrace and welcome her into God's family.

We want to express our gratitude to our supporters, especially those who went the extra mile to help with our travel expenses. After many days of adjusting to the time zone, we are ready to return to normal in the States and continue our projects on video post-productions for the *First* and *Second Thessalonians*.
