MONTHLY REPORT—July 2023

We hope this newsletter finds you well in all things. It is wonderful to be back home after an intense mission trip on the other side of the earth. A few days before leaving Taiwan for the United States, I unfortunately contracted Covid and carried the sickness all the way back home to Texas. Thank God, after two weeks of rest, I had a full recovery from Covid and jet lag. It feels great to be back in our routine.

Following the completion of the video lessons on the book of *Genesis*, we are now dedicated to preparing the next set of video lessons on the book of *Philippians*. The manuscripts for all nine video lessons have been completed and are currently undergoing review. I want to express my deep gratitude to my beloved wife, Yolanda, who has put in tremendous effort in reviewing and critiquing my manuscripts. She ensures that the Greek word definitions are accurate, the flow of ideas between paragraphs is coherent, and the section titles are appropriate. If necessary, she would supplement the manuscripts with thoughtful points presented by other reputed brothers on the same subjects from various platforms like YouTube, podcasts, or written materials for my reference. From a student's perspective, she suggests removing content that might be confusing and provides suggestions for further elaboration to ensure clarity. The role of manuscript reviewer is vital, serving as quality control for the video lessons presented in the Chinese Bible School. Yolanda has done an outstanding job in this regard.

We are delighted to see that the video lessons at the Chinese Bible School are being put to good use. We have learned that at least two congregations in Malaysia are playing our videos during their Sunday Bible study classes. Additionally, we hope and pray that the hard drives distributed during the mission trip in June will also assist many congregations in their teaching efforts.

The impact of our online videos on people's lives is not always immediately apparent, but we recently received an email from someone in Mainland China that touched our hearts.

... I am from Mainland China. I thank God that I have listened to you and brother Don Blackwell's many lessons on salvation and the Bible on the internet ...have made me realize that I need to be baptized in accordance with the requirements of the New Testament in order to be saved and to enter into salvation and everlasting life and Christ's body (Christ's Church) so that I can be cleansed of my sins, and become a child of God and a New Testament Christian.... Finally, may God continue to bless your gospel ministry, and I will do my best to participate in your ministry to save every lost soul and be faithful to the Lord....

Thank you very much for your continued support of the work of the Chinese Bible School. If you have not yet become a supporter, we invite you to participate in this great work through your prayers and financial contributions. Together, we can save lost souls among Chinese-speaking people and remain faithful to the Lord's calling.

May our Lord bless you abundantly.
