Chinese Bible School Monthly Report — July 2026

Dear Brethren,

Greetings in the Lord!

Since returning safely to our home in Texas on June 15, it took until early July for us to fully recover from jet lag and resume our normal schedule. We then immediately focused on preparing our next video Bible courses on **1 Peter** and **2 Peter**. After more than a month of work, we are thankful to report that all the lesson manuscripts and on-screen graphics for both books have now been completed. Lord willing, we will enter the recording studio in early August to film these courses, which include **10 lessons on 1 Peter** and **6 lessons on 2 Peter**.

In addition to these Bible book studies, I will also record a four-part topical series entitled "**Why Is There Suffering in the World?**" The lessons are: *A World of Suffering, Shaped Through Suffering, The Spiritual Battle in Suffering, and Faith in the Midst of Suffering*. These lessons are based on the sermons I preached during the bilingual gospel meeting at the Skudai Church of Christ in Malaysia on May 29-31 of this year. Our prayer is that these videos will encourage those who wrestle with the reality of suffering and help Christians better understand God's purpose in suffering, strengthening their faith in Him.

Our Thursday evening Zoom Bible study continues faithfully each week. We have begun studying **1 Peter** and have completed the first five lessons. We thank God for the approximately twenty students from China, Taiwan, and Malaysia who participate regularly, and we pray that their continued study of God's Word will deepen their faith and understanding of His will.

This month we also completed and uploaded the study guides for **James** and **Philemon** to the Chinese Bible School website. These free guides complement our online video courses and provide students with an even more effective way to study God's Word.

We invite you to download these study guides and share them with family and friends so that more people may benefit from sound biblical teaching. Thank you for your continued prayers and faithful support as we work together to proclaim the gospel of Christ to Chinese-speaking people throughout the world.
