Chinese Bible School Monthly Report — September 2026

Dear brethren,

Greetings in Christ!

We are pleased to report that this month the Chinese Bible School completed two Bible topical video courses: "Seven Scenes That Will Happen on Judgment Day" and "Why Is There Suffering in the World?"

The series "Why Is There Suffering in the World?" consists of four lessons: "A World of Suffering," "Shaped Through Suffering," "The Spiritual Battle in Suffering," and "Faith in the Midst of Suffering." This series examines suffering from several biblical perspectives, exploring why people experience suffering and how Christians can face the trials and difficulties of life with faith in God.

Both the Traditional Chinese and Simplified Chinese versions of these courses have now been uploaded to the Chinese Bible School website. We warmly invite you to watch them through the links below and to share them with your Chinese-speaking friends and family so that more people may have the opportunity to hear sound Bible teaching.

We are also excited to share another important milestone. The recording manuscripts and onscreen graphics for *1 John*, *2 John*, *3 John*, and *Jude*—a total of 19 lessons—have now been completed.

According to our current schedule, I plan to enter the studio during the third week of October to record these lessons. After the recording is completed, the videos will go through editing and post-production for both the Traditional and Simplified Chinese versions. If everything goes according to plan, we hope to have all 19 lessons available online in November, free of charge to Chinese-speaking people around the world.

Our weekly Thursday evening Zoom Bible study also continues faithfully. Recently, we have been watching and studying the completed "Why Is There Suffering in the World?" video series together, and we have also begun our study of *1 John*. Each week, approximately 20 participants from Taiwan, China, and Malaysia join us to study God's Word together.

We are deeply grateful that you are laboring together with us in this work. May God richly bless you, your families, your congregations, and your faithful service to Him. May He continue to open doors for His Word so that even more people may come to know the truth and the saving gospel of Jesus Christ.
