

# Chinese Bible School

MONTHLY REPORT—October 2023

Greetings from the Chinese Bible School. “Grace to you and peace from God our Father and the Lord Jesus Christ.” (Phil. 1:2)

We are delighted to share the completion and upload of the study guides for the Book of *Genesis* in both Traditional and Simplified Chinese on the Chinese Bible School website.

The study guides, accessible through the following links:

Traditional Chinese: <https://chinesebibleschool.org/traditional-downloads/>

Simplified Chinese: <https://chinesebibleschool.org/simplified-downloads/>

These guides are designed to supplement the video content, providing additional materials for further study. While the study guides encompass all information presented in the videos, the videos themselves offer a visual feast, incorporating graphics, illustrations, and animations that are sure to captivate our viewers. We believe that students can benefit significantly from both mediums—watching the videos for visual engagement and referring to the study guides for in-depth comprehension.

In our video post-production for the Book of *Philippians*, significant progress has been made with six completed lessons and three more currently in production. Yolanda, our talented video graphic designer, works diligently to create visually engaging scripture graphics, while brother Chin Yong from Malaysia lends his expertise in specialized graphic design. The incorporation of animation ideas from the esteemed World Video Bible School further elevates the quality and engagement of our videos. With each video containing 40-55 graphics, our goal are to complete all videos in both Traditional and Simplified Chinese by Thanksgiving.

We are excited to announce the completion of all manuscripts for the upcoming video lessons on the Book of *First Thessalonians*, comprising nine lessons. Moreover, these materials are concurrently utilized for our weekly online Bible study, fostering a sense of community and dedication among brethren from Taiwan, China, and Malaysia. Their unwavering enthusiasm for the Word of God is truly inspiring, and we earnestly pray for the Lord's abundant blessings upon them.

Our heartfelt gratitude extends to our supporters whose unwavering prayers and financial assistance have enabled the continued proclamation of the Gospel to over 1.4 billion people in the Chinese-speaking world through internet evangelism. Your support is not merely financial but a true partnership in advancing the mission of spreading the teachings of Jesus Christ. Your generosity and kindness reflect the ethos of the brethren in Philippi, as aptly mentioned by the apostle Paul. Your continuous involvement in "giving and receiving" (Phil. 4:14-16) echoes the selflessness and commitment pivotal in our mission.

We continue to move forward with deep gratitude and determination, knowing that our collective efforts are instrumental in reaching hearts and minds, bringing the everlasting message of hope and faith to countless individuals.
