MONTHLY REPORT—October 2024

In a world filled with challenges and uncertainty, the words of the Psalms remind us to trust and wait on God. “Be still, and know that I am God. I will be exalted among the nations, I will be exalted in the earth!” (Psalm 46:10). Another passage says, “Be still before the LORD and wait patiently for him; fret not yourself over the one who prospers in his way, over the man who carries out evil devices!” (Psalm 37:7). These verses guide us in our work at the Chinese Bible School, as we keep trusting God while sharing His Word.

First Timothy Video Lessons Update

We are happy to report that all eleven video lessons on the Book of *First Timothy* have been recorded at the World Video Bible School studio. We are now working on the video post-productions. We hope to have both Traditional and Simplified Chinese versions available on the Chinese Bible School website by the end of the year. Your prayers and support help make this possible, and we are excited to see how these lessons will reach people eager to learn from God’s Word.

Progress with the Zoom Study Groups

Our two Zoom Bible study groups continue to grow and learn. The first group, with members from Taiwan, China, and Malaysia, has finished studying *2 Timothy* and is now starting the Book of *Titus*. We record each session and upload it to Tencent Cloud so that those who couldn’t join the class live can watch the video later. This allows more people to access the lessons and learn from them at their own pace.

The second group, which is based in China, recently completed a ten-part series called “Why Did My Savior Have to Die?” For many, this was their first time studying this topic in depth. They were moved by the love of God and gained a deeper understanding of Jesus’ sacrifice for humanity. This study has helped them grow closer to the gospel message.

Encouraging News from Abroad

It’s encouraging to hear how others are using the video lessons on the Chinese Bible School website. Some congregations in Malaysia are using these lessons for their Sunday Bible classes. Recently, we also learned of a small group of Chinese people in Japan who use the videos as sermons for their Sunday worship. Knowing that these lessons are helping others in their worship and Bible study brings us joy and reminds us that our efforts are making a difference.

Thank You for Your Support

As we share this update, we want to thank each of you for supporting this mission. Your prayers, encouragement, and financial help make it possible for us to continue sharing the gospel with Chinese-speaking people worldwide. During these uncertain times, we find peace in knowing that God is at work, and we are committed to spreading His Word with faith and patience.

May God bless you richly for your support which allows us to reach many people with His truth.
