Looking ahead, we are in the process of preparing video lessons for the Book of *First Thessalonians*. The manuscripts for all the lessons in this study have been finalized and will undergo a thorough review and revision before video recording. These materials are also being utilized in our weekly online Bible study.

A key focus of the upcoming lessons revolves around the second coming of the Lord Jesus Christ. To address potential confusions and false doctrines related to this topic, we are preparing two topical video lessons: "When Will The Kingdom Come" and "The Truth about Premillennialism." These lessons draw from the insightful videos "When Will The Kingdom Come," "No One Left Behind," and "Premillennialism: A Deeper Study" by Don Blackwell, produced by the World Video Bible School. We appreciate brother Don's dedication in creating these videos to counter false doctrines and present biblical truth. Our hope is that these forthcoming lessons will contribute to a clearer understanding of the kingdom of God and the second coming of Christ among Chinese speakers globally.

We express our heartfelt thanks for your prayers and ongoing support of the Chinese Bible School. Your steadfast commitment enables us to continue the Lord's work in serving the vast Chinese-speaking population worldwide. Let us continue to uplift one another in prayer, anticipating that our collaborative efforts in His Kingdom will yield abundant fruit.

The grace of our Lord Jesus Christ be with you. Amen. (1 Thessalonians 5:28)
