## Chinese Bible School Monthly Report — December

May you be filled with peace and joy in the Lord. By the time you receive this monthly report, we will have entered January 2026. Please accept my heartfelt New Year greetings, and may the Lord grant you abundant grace and blessings in the year ahead.

Looking back on December 2025, it was truly a month filled with thanksgiving. I would first like to express my sincere gratitude to the Gloster Street Church of Christ in Mississippi for their gracious invitation. It was a privilege to share an update on the work of the Chinese Bible School during their Sunday evening worship service on the first Lord's Day of December. After the service, we enjoyed a fellowship meal together and had warm, meaningful interactions with many of the brethren. Several brothers and sisters personally shared their encouragement, support, and commitment to pray for this ministry. Their words and kindness were a great source of comfort and strength to us as we continue laboring in the Lord's work.

One of the greatest blessings of this trip was the opportunity to reunite with our dearly beloved brother Windell Fikes and his family. It had been six years since our last visit. We are deeply thankful for their warm hospitality, which allowed us to spend two refreshing and joyful days in their home. Brother Windell often fondly recalls our visit to Taiwan together nearly twenty years ago and continues to speak with appreciation of the food, local culture, and the heartfelt hospitality shown by the brethren there. May our loving Heavenly Father continue to watch over his family, granting them strength in body, clarity of mind, and continual renewal in spirit.

In terms of ministry progress, I am pleased to report that during December we completed the full manuscripts for all nineteen lessons of *Second Corinthians*. At present, the slide designs, visual elements, and animations for this course are being actively developed. Lord willing, we plan to record this course in February, with the hope of making it available to brothers and sisters as soon as possible.

In addition, our Thursday evening Zoom Bible study continues steadily. We have completed our study of the first thirteen chapters of *First Corinthians*. For chapters fourteen through sixteen, participants are encouraged to continue their learning by viewing the lessons available on the Chinese Bible School website. Beginning in January 2026, the Bible study will formally transition into *Second Corinthians*, where we will reflect together on the grace and power of the Lord revealed through the apostle Paul amid trials and weakness.

As we conclude 2025, may our hearts be filled with gratitude. Regardless of whether the past year brought seasons of joy or seasons of challenge, let us move forward in faith, “forgetting what lies behind and straining forward to what lies ahead, I press on toward the goal for the prize of the upward call of God in Christ Jesus” (Philippians 3:13–14).
