MONTHLY REPORT—April 2022

Greetings from the Chinese Bible School. May this newsletter find you well in all things. Thank you so much for keeping the work of the Chinese Bible School in your prayers. Let us continue to spread the gospel to the whole world. Our Lord promised us that He will be with us “even unto the end of the world” (Matthew 28:20), as we continue to do His will.

We are glad we have completed the video recording for lessons 19-31 of the book of *Acts*. These lessons cover the study materials from chapters 15 to 28 of the book of *Acts* including the following topics: The Jerusalem council, Paul’s second missionary journey, Paul’s third missionary journey, Paul’s arrest in Jerusalem, Paul’s imprisonment: from Jerusalem to Caesarea, Paul’s defense before Felix and Festus, Paul’s defense before Agrippa, and the trip from Caesarea to Rome. The video post-production is in progress. To make this series of lessons more interesting, we have incorporated the animation maps and a video with the 3-D model of the Jerusalem temple created by brother Mat Cain at the World Video Bible School and Patrick Hammack, so the viewers have a better understanding of where Paul’s journey was taking place and why the Jews were so furious, wanting to kill Paul supposing that Paul had brought a Gentile into the temple recorded in Acts 21:27-30. We hope and pray that the time we spent producing these video lessons will be beneficial for those who study the Book of *Acts* and have more appreciation of what has been done by the great Apostle Paul.

Our weekly Zoom online Bible study is continuing the study of the book of *Hebrews*. So far, we have finished studying the texts in the first two chapters. One of the challenges of studying the Bible in Chinese is word study. From time to time, the translation of the keywords from the original language (Greek) is not so precise and so they could not grasp the idea of what the author means to convey. After explaining the words and the idea behind them, the students found that they have a better understanding of what the texts mean and more appreciation of the word of God. I am grateful for a sister in Christ in China who continues to invite her relatives to join our Zoom Bible study. May the Lord give the increase as we continue to plant the seed and water the word of God.

We are delighted to announce that we have compiled all the manuscripts of the video lessons of *The Story of Jesus* and the book of *Colossians* into a book format to serve as a study guide and uploaded them to the Chinese Bible School website. You are welcome to share the following links for free download. Thank you.
