

Chinese Bible School

MONTHLY REPORT—January 2022

Happy Chinese New Year (February 1st) to you. This is the year of the tiger. Best wishes to you this year as a Chinese idiom 虎虎生風 (hǔ hǔ shēng fēng) meaning majestic and imposing like a tiger. This reminds us of this verse in the Bible, “**Be strong and courageous.** Do not be frightened, and do not be dismayed, for the LORD your God is with you wherever you go.” (Joshua 1:9)

We are glad that the video lessons for the second nine lessons (lessons 10-18) covering chapters 7-14 of the book of *Acts* have been completed and uploaded to the website of the Chinese Bible School. Many brethren contributed to these final products. Many thanks to my wife Yolanda and brother Chin Yong in Malaysia for their collaborative effort in video post-production. We are also thankful for four volunteers from Taiwan, China, and Malaysia to review the final videos. The links to assess these videos are as follows:

For the traditional Chinese version: chinesebibleschool.org/zh-hant.html

For the simplified Chinese version: chinesebibleschool.org/zh-hans.html

We are continuing to prepare the manuscripts for the final 14 lessons of the book of *Acts*. The manuscripts for lessons 19-25 covering the stories of Paul’s second and third missionary journeys have been completed and are in reviewing. The in-depth study of Paul’s life make me appreciate more this great apostle, his sacrifice and dedication for the cause of Christ.

We are glad that the Chinese version of the *Searching for Truth* by John Moore is finally completed and uploaded to the website of the Chinese Bible School. The simplified Chinese version of the book can be downloaded at the following link:

chinesebibleschool.org/zh-hans-downloads.html.

The Traditional Chinese version of the book is in preparation. It will be uploaded to the website as soon as it becomes available. We hope and pray this study book will cause many Chinese-speaking people to find the truth.

Starting from January of the year 2022, we moved our online Bible study groups from using Tencent QQ and WhatsApp to Zoom meeting software. Although encountered some technical issues in the beginning due to the lack of experience, our online Bible study overall is going well. We have completed another four lessons of study on the book of *Genesis*. The rest of the 6 lessons of the book of *Genesis* will be focusing on the story of Joseph. We are no longer sending the study outline and audio recording through Tencent QQ. Instead, all the communications are through email. We hope and pray the Lord will continue to bless our Zoom Meeting Bible study that there will be no interruption from Chinese authorities.
