

Chinese Bible School

MONTHLY REPORT—October 2020

Thank you very much for your prayers for the online Chinese Bible School work. We are so grateful we can still take the gospel to the whole world using the internet and chat apps. May the Lord continue to bless this Lord's work that could potentially reach over a billion Chinese-speaking souls around the world.

We are glad the final four video lessons of *The Story of Jesus* (lessons 55-58) have been completed and uploaded to YouTube. Please visit our website at chinesebibleschool.org and share the link to the people who might be interested in this work. These lessons covered the stories from Jesus's resurrection to His ascension. It has been a little more than three years since the first lesson of *The Story of Jesus* launched. The goal of this series was to tell the story of Jesus in chronological order from the gospels of Mathew, Mark, Luke and John. It connects all the dots from the writings of those authors and should help students to appreciate the harmony of the four gospel accounts.

The next two topical video lessons, *The Biblical View of Marriage, Divorce, and Remarriage* and *The Blessed Assurance*, are scheduled to be recorded in early November. In addition, the translation of *Searching for Truth* by John Moore was resumed. The first four chapters have been done. We are glad that a brother in China is willing to proofread the translations. We hope and pray that the Chinese version of *Searching for Truth* can be publicly accessible sometime next year.

Our Tencent QQ online Bible study group has been switching gears from *Questions and Answers to Church History*. The last question from the previous study touched the church issue. In order to give a thorough answer about the church in the Bible, I decided to present a series of lessons in church history. I hope and pray these lessons will be beneficial to the group members especially to those who are in China. Some of them have denominational background and have not been taught the one true church. May God bless honest souls to find and obey the truth. In October, we have discussed the church in the Bible, the problems of early church from within and without, and the changes of church administration from elders to bishops, metropolitans, and patriarchs. We studied that the persecution of the church was not able to quench the fire of Christianity. It was when the persecution ceased, apostasy found the way to alter the simplicity of Christianity.

Although 2020 has not been easy for most of the people around world and with so many unsettled events toward the end of the year, may we all trust that God is in control. He is the one who created the heavens and the earth and the one to appoint the kings of the earth. Let us continue to hope in that day when the king of kings comes again, we will be with Him in heaven where there will be no more tears and sorrow!

All the online Chinese video views as of October 31 of year 2020 were over 66,500.
