

# Chinese Bible School

MONTHLY REPORT—December 2017

Happy New Year! We are indebted to our Heavenly Father for His favor upon the Chinese Bible School. May God continue to work through the school to accomplish the Great Commission for His glory!

For many, December was a joyful month of family reunion. However, it was far from gladness for me in some ways because my father passed away without any warning signs. Sighing for the loss, I couldn't help but recall James 4:14 "Whereas you do not know what will happen tomorrow. For what is your life? It is even a vapor that appears for a little time and then vanishes away."

I am deeply grateful to Boaz Wang for lovingly conducting the funeral service and presenting a lesson on *God's Love Manifested to Us*. A heartfelt thanks to the caring friends, relatives, and church family for offering their condolences.

Despite the setback in life, I keep pressing on toward the target lesson on *Telling the Story of Jesus in Chronological Order*. As of the end of December 2017, I completed lessons on *The Word Prior to Incarnation* and *John the Baptizer Preparing the Way*. The rest of the lessons are in progress.

Utilizing the internet, we are constantly seeking ways to maximize the outreach of the Chinese Bible School materials. After having successfully connected YouKu—a popular video hosting service in China—to the school website at <http://chinesebibleschool.org/zh-hans.html>, we achieved the desired results of bypassing all the annoying advertisements.

We are happy to update you on the internet outreach. We had 900 views of the Chinese Bible School materials on YouKu in December. Here is a positive feedback from a sister in mainland China.

... What a comprehensive study! I used to read Genesis by myself but was unable to get a greater understanding of God's word. After tuning in your presentation, my heart was enlightened. I will continue to study Exodus. I appreciate you for devoting yourself to teaching the Word of God through the internet. May God bless your ministry! I look forward to watching more lessons on Youku.

To God be the glory!
