

# Chinese Bible School

MONTHLY REPORT—December 2019

Thank you very much for your prayers of the online Chinese Bible School. I hope that you have finished the year 2019 strong in every task, goal and race. Let us start the year 2020 strong no matter how the past year came to an end, as the apostle Paul reminds his readers, “Brothers, I do not consider that I have made it my own. But one thing I do: forgetting what lies behind and straining forward to what lies ahead, I press on toward the goal for the prize of the upward call of God in Christ Jesus.” (Philippians 3:13-14)

We are glad that *The Story of Jesus* video lessons 33-40 both in Traditional and Simplified Chinese versions have been completed and uploaded to our website at [ChineseBibleSchool.org](http://ChineseBibleSchool.org). In order to help students searching the contents of *The Story of Jesus* video lessons, we have divided the first 40 video lessons into three parts: part 1—Christ’s Life Prior to and His Early Ministry; part 2—Sermon on the Mount and His Galilean Ministry; part 3—From the Feast of Tabernacles to Prior to Triumphal Entry to Jerusalem. The last part (part 4) of the story will be the Last Week of the Life of Jesus (about 16 lessons). Our goal in 2020 is to finish *The Story of Jesus* project and complete at least another two topical lessons. One of them is *The Biblical view of Marriage, Divorce, and Remarriage*.

Our Tencent QQ online Bible study group continued studying the story of Jesus. Since most of the group members are in mainland China and unable to watch our videos on the Chinese Bible School website. Through the online Bible study, they are able to enjoy the same lessons presented on our website. I would like to share a comment from a sister in Christ from China:

“I am thankful for brother Chen’s lessons. He has really given much thought to the matter of teaching the Bible. We are the most beneficiaries. I have been searching for the truth for 10 years in China and could not get it until now. Therefore, it is so precious for me. Thank God for His wonderful provision!”

At the end of the year 2019, we were pleased to have a couple and their baby boy from China visiting us. Brother Leo is a second-year student at Bear Valley Bible Institute. He, his wife and son will return to China upon graduation this coming June. It is always good to hear about brethren from China willing to dedicate their life in spreading the gospel, get trained in the United States and return to teach what they have learned. May God bless their effort and protect them from evil harm.

May the Lord of the harvest send out more laborers from China into His harvest.

**All the online Chinese video views were over 9,000 in the month of December and over 216,000 in the year 2019.**
