MONTHLY REPORT—February 2022

Dear brothers and sisters in Christ, at the beginning of this report, we would like to pray for the devastating situation under the war between Ukraine and Russia. We pray for the refugees and vulnerable citizens of Ukraine. May the Lord comfort them in a time of fear and uncertainty. May the good works of surrounding nations continue welcoming and helping the refugees. Pray for the members of Christ's body in Ukraine that the hope of Christ would sustain and help in the time as such. We pray more people will seek for the Lord and find the hope in Christ. We pray for the leaders of nations that they may have the wisdom to settle the situation so the peace would be soon to come. In Jesus' name. Amen!

We are continuing to prepare the manuscripts for the book of *Acts*. The manuscripts for another four lessons covering chapters 21-26 of the book of *Acts* have been completed. We have now 11 lessons of the manuscripts ready. The last two lessons will include chapters 27 and 28. The video recording for the final 13 lessons of the book of *Acts* is scheduled for mid-April.

We are thankful to World Video Bible School for their generosity in creating the Bible maps of Paul's Missionary Journeys, as well as sharing the artwork used in the videos of the Bible Land Passages. In lesson 26 of the book of *Acts*, we will be using some of the artwork in the video "What Was the Temple's Wall of Separation?" to illustrate why Paul was arrested in the temple, as recorded in Acts 21:27-36. We are confident that by introducing those video clips, the students will have a vivid picture of what is happening in the text.

We are glad that the Traditional Chinese version of the *Searching for Truth* by John Moore is completed and uploaded. The Simplified Chinese version has been uploaded last month. Both versions of the book are available for download at the following link:

Our weekly Zoom online Bible study is going well. We have completed another four lessons of study on the book of *Genesis*. From the study of the life of Joseph, we have learned how the providence of God worked through Joseph so the whole family of Jacob can be saved from great famine and Israel would become a great nation. Most importantly, the seed that has been promised to Abraham (Genesis 22:18) would be eventually preserved until the fulness of time is come (Galatians 4:4). May the will of the Lord be done!
