

Chinese Bible School

MONTHLY REPORT—February 2023

We hope this newsletter finds you well. We are grateful for your prayers and support. The Lord has blessed us greatly through the work of the Chinese Bible School, and we would like to share our February updates with you.

We are pleased to announce that a Chinese version of the short video "Creation History" is now available on the Chinese Bible School website. This one-minute forty-second video provides an overview of the creation of the universe and humanity, with the aim of sparking viewers' interest to learn more. Please share the following links with anyone who may be interested:

Traditional Chinese version: chinesebibleschool.org/creation-history-traditional/

Simplified Chinese version: chinesebibleschool.org/creation-history-simplified/

We are also excited to share that the video recording for the second part of Genesis (Lessons 12-21) has been completed. These ten lessons cover the lives of Abraham, Isaac, Jacob, and Joseph, revealing God's providence and love in their journeys. Through these stories, viewers can witness God's intervention, patience, and forgiveness. Our hope is that these video lessons will help viewers to see the breadth and depth of God's love.

We were pleased to hear from a sister in Christ from China who shared our video lessons to his father during a difficult time.

Thank you brother for praying for my dad's illness recently. The day before yesterday, my dad was diagnosed with late-stage lung cancer. The doctor said that without treatment, my dad can only live for about half a year. If treated, some people can live for about 5-10 years.... Because the family's financial situation is relatively difficult, my brother first discharged my father from the hospital. These days, the family members are also feeling heavy hearts upon receiving the news. Brother, please continue to pray for my dad's illness and the salvation of his soul, and ask the Lord to have mercy on my dad, and hope that he will return to the Lord as soon as possible in the limited years! ...During the hospitalization, I also showed your video lessons *Heaven, Hell and What Must I Do To Be Saved* to my dad. I will let him watch *Where Do We Go When We Die* later. I hope he can understand and respond correctly to what he heard.

Please pray for our dear sister and especially for her dad that he may obey the gospel before it is too late.

Thank you for your continued support of the Chinese Bible School. We pray that the Lord will bless you abundantly.
