MONTHLY REPORT—March 2021

Dear brethren, may this newsletter find you and your loved ones well in all things. It has been more than a year since the pandemic outbreak. I pray we all remain strong in the faith and the zeal to serve the Lord while waiting for the pandemic to pass.

We are glad that the video lesson *The Blessed Assurance* has been completed and uploaded to the Chinese Bible School website at ChineseBibleSchool.org. You are welcome to share our website to those who may be interested in the work. In addition, the same video in Simplified Chinese was successfully uploaded to Tencent Video channel in China so the audiences in mainland China are able to access it. It is unusual that the biblical video lesson was accepted by this site this time, while most of the videos uploaded before were rejected. Praised the Lord!

I received the following comment from one of our QQ Bible study group members after watching *The Blessed Assurance* video lesson. It also reflects what this lesson is about.

Our God is a merciful God! He (Christ) is our mediator, who became the propitiation of our sins. Thank God for the forgiveness of all our sins so we can have confidence standing before Him and walking with the Lord! I am thankful for our God. Since joining this Bible study group, I have been gaining more knowledge of the truth by the teaching and guiding from brother Chen. Thank you, brother Chen for your hard work....

We are glad we have completed the manuscripts of lesson 5 to 8 of the book of *Colossians* this month, and this completes all the manuscripts for this course lessons. The manuscripts are in reviewing. The video recording for these lessons is scheduled in the month of May.

Our Tencent QQ online Bible study group started the new lesson *The book of Acts* in March. We would focus on Peter's ministry on the first half of the lessons and Paul's ministry on the second. In addition to the QQ online group which majority of members are in China, we have extended to a WhatsApp group to serve the members in Malaysia. The two groups of people attended weekly online Bible study at the same time while I was teaching from the States with two apps, QQ and WhatsApp, opened. There were approximately 30 students attending the class regularly. May the Lord continue to bless this effort in teaching and exhorting the brethren with the word of truth.

All the online Chinese video views in March 2021 were over 8,600.
