

Chinese Bible School

MONTHLY REPORT—March 2023

Greetings from the Chinese Bible School,

"Grace to you and peace from God our Father and the Lord Jesus Christ" (Philippians 1:2). We hope this letter finds you well in all things.

First of all, we would like to follow up on the news from the previous report. We rejoice with the angels of God over a sinner in Wuhan, China who was baptized into Christ as a result of the tireless effort of his daughter. Seeing her father's soul in danger, who was diagnosed with late-stage lung cancer, sister Hope Tsai earnestly convinced her father, Wenqi He, to hear the gospel of Christ. She did this by presenting video lessons from the Chinese Bible School, such as *Where Do We Go When We Die, Heaven, Hell, and What Must I Do To Be Saved*. I had the opportunity to visit him via video chat from the WeChat App to encourage him to obey the gospel. With a readiness of heart, he was baptized into Christ on March 18th. Here is the statement from sister Hope, "My father truly repented... He told two visitors from the Wuhan congregation that he is not afraid whatever happens to him because he now has the Heavenly Father to look after him... I feel that he has more peace and joy in his heart than before. I thank the Lord for hearing our prayers. It is so comforting to see how much my Dad is changing now."

We share this great news with you so that you may rejoice with us. Additionally, we would like to invite you to help with her father's medical expenses. Radiation therapy and subsequent surgery will leave this low-income, poor family in debt. If you can help, no matter how little, please let us know. They would very much appreciate your love and kind help. Thank you very much for your consideration.

The post-production of *Genesis* video lessons is still ongoing. With the effort of my wife Yolanda and brother Chin-Yong in Malaysia, four video lessons in Traditional Chinese have been completed. Each lesson contains 40-50 artistic design graphics for the purpose of drawing the attention and interests of the viewers. In the meantime, I have been preparing the next video lessons on the book of *Philippians*. The manuscripts for the first three lessons covering the first chapter of the book have been completed. We hope and pray that we are able to upload the rest of the video lessons of *Genesis* and complete all the manuscripts of the *Philippians* lessons by late May before our trip to Taiwan.

Our weekly Zoom Bible study group has completed 12 lessons on the book of *Psalms*. There will be another 8 lessons on this subject until the end of May.

Thank you for your continued support of the Chinese Bible School. May the Lord continue to bless you abundantly.
