MONTHLY REPORT—May 2022

Greetings from the Chinese Bible School. May this newsletter find you well in all things. In the difficult times we are facing today, “the peace of God, which surpasses all understanding, will guard your hearts and your minds in Christ Jesus.” (Philippians 4:7) May we be lights of the world that brings peace to those around us so they may see our calmness while facing conflict and ask us to explain the hope that is in us (1 Peter 3:15).

I would like to share an exciting story with you. On May 24, I received an email in Chinese sent from a denominational person in Canada. It said, “Peace to you Pastor Chen and brothers and sisters in Christ, the videos of the *Story of Jesus* are well made. I have benefited a lot from them. I watched all 58 lessons of the *Story of Jesus* twice and several other topical video lessons within a month. Thank you. I must say you did a great job!” In the later conversations through email, he expressed he is aware of many denominational churches in the world that lead the people to destruction and he would like to find a church that is sound and biblical. This allowed me to introduce him to the church which Jesus built. I also encouraged him to watch one of our Chinese videos *Why Are There So Many Churches?* and read an electronic book *Searching for Truth* on our website. Finally, he said, “Thank you so much. I am so happy. I know what to do now. praise the Lord!”

We are glad to have completed the post-production of the Traditional Chinese videos for lessons 19-31 of the book of *Acts*. The video post-production for Simplified Chinese versions is in progress. Both Traditional and Simplified video lessons of the book of *Acts* will be available on our website by the end of June, Lord willing. We once again would like to thank brother Mat Cain at World Video Bible School for making the maps of Paul’s missionary journeys and others, brother Patrick Hammack for creating the 3-D model of the Jerusalem temple, brother Chin Yong Teh of Malaysia for producing onscreen graphics and video editing and post-production, and my wife Yolanda for tirelessly proofreading the manuscripts and looking for the creative ways of producing onscreen graphics to highlight the points of the lessons. We hope and pray these 31 video lessons will be beneficial for those who study the Book of *Acts* and have more appreciation of what has been done by the great Apostle Paul.

While preparing for the final lesson, it was sad to know that near the end of Paul’s life only Luke was with him and he needed Timothy to bring his coat and visit him before winter. However, it was happy to know there is a reward for the faithful, as Paul’s final words said, “I have fought the good fight, I have finished the race, I have kept the faith. Finally, there is laid up for me the crown of righteousness, which the Lord, the righteous Judge, will give to me on that Day, and not to me only but also to all who have loved His appearing.” (2 Timothy 4:7-8)
