

Chinese Bible School

MONTHLY REPORT—May 2023

Greetings from the Chinese Bible School,

May this newsletter find you well in all things. This month, we are excited to share updates about our upcoming mission trip to Asia, which is set to begin on May 27.

On our journey back to Taiwan, we will be visiting our beloved brethren at the Airport Church of Christ in South San Francisco on May 28. During this visit, I will be reporting on the work of the Chinese Bible School in the hour of Bible study, as well as presenting a lesson during the worship service. It will be a joyous reunion for us, as we were members of the Airport congregation for 10 years.

In Malaysia, we have been given the opportunity to contribute to a gospel meeting at the Skudai church of Christ from June 2 to June 4. I will be presenting three bilingual lessons on the topic "Jesus, the Son of God and the Son of Man." Additionally, on June 5, I will be conducting a song leading lesson. I am also delighted to announce that my beloved wife, Yolanda, has been invited to speak (bilingual) to the ladies on the subject of "How to Read the Bible: an Inductive Bible Study" on the same day.

From June 8 to June 10, we will be attending the annual Asian Chinese Bible Lectureship, taking place in Kuala Lumpur, Malaysia this year. The theme for the meeting is "The Spiritual Blessings in Christ," based on Ephesians 1:3-14. I have been assigned the topic of "The Blessing of Being Sealed with the Promised Holy Spirit" (Ephesians 1:13). This two-and-a-half-day event will feature 11 speakers, and we are eager to contribute and learn from fellow brethren.

After the lectureship, we will return to Taiwan and stay for a little over two weeks until June 27. During this time, we have been blessed with the opportunity to visit and speak at three congregations on three consecutive Lord's Days before heading back to the United States.

We are incredibly grateful to the World Video Bible School for providing us with 15 military-grade hard drives containing all the Chinese videos. Each hard drive carries 262 videos in both Traditional Chinese and Simplified Chinese, including 123 videos recorded by John Grubb and 139 videos produced by the Chinese Bible School. These invaluable resources will be distributed to congregations and individuals in Asia, especially in areas with limited or no internet access, and will serve as essential teaching materials.

We are also delighted to announce that the final ten video lessons of *Genesis* have been completed. The complete set of 21 *Genesis* video lessons can be accessed at the following addresses::

For Traditional Chinese: chinesebibleschool.org/courses/traditional-genesis/

For Simplified Chinese: chinesebibleschool.org/courses/simplified-genesis/

Lastly, we humbly request your prayers for our upcoming trip and the work of the Chinese Bible School. May our efforts bear much fruit for the Lord and bring glory to His name.
