

# Chinese Bible School

MONTHLY REPORT—August 2019

Thank you very much for your prayers for the online Chinese Bible School work. May the Lord bless you with abundant joy, peace, and love.

We are so excited that the new Chinese video lesson, *Christians and Government* has been completed and uploaded onto our website. You are welcome to view and share this video at <http://chinesebibleschool.org/video.php?v=zh-hant-christians-and-government> in traditional Chinese or <http://chinesebibleschool.org/video.php?v=zh-hans-christians-and-government> in simplified Chinese. Another video lesson, *Biblical View of Same-Sex Marriage*, in traditional Chinese is completed. We are in the process of converting onscreen graphics to simplified Chinese to make the simplified version of the same video. This video should be available at the Chinese Bible School website in mid-September. We are thankful for the talented brethren at World Video Bible School in contributions of Chinese video production. In addition, we are grateful for brother Chin Yong Teh at the Skudai Church of Christ in Malaysia for his willingness to share the work of onscreen graphic design and production. It is amazing that we are able to work together from opposite sides of the world by the help of internet technology.

In addition to the above two topical video lessons, we have completed four manuscripts for *The Story of Jesus* video lessons 33-36. The themes of these lessons are “Lord, Teach us to Pray,” “the Feast of Dedication,” “the Parables of the Lost Sheep, Lost Coin, and Prodigal Son,” and “the Parables of the Unrighteous Steward and the Story of the Rich Man and Lazarus,” respectively.

Our Tencent QQ online Bible study group has completed studying *The Story of Jesus* video lessons 29-32 this month. I am thankful for the students who are willing to study God’s word and do the homework in answering the provided questions. Starting from September, we will switch the gear to a biblical word study. This study would help students appreciate more about the words presented in the scriptures.

It is the time of year when congregations start making their budgets for the next year. We are thankful for your continued generosity which makes this work possible. We hope that in the year 2020, we will be able to keep current contributions or even to increase the contributors to expand this work. The harvests always are plentiful but the laborers are few. We hope and pray that the Lord will send more laborers for this Lord’s work. If you know of brethren who might be interested in becoming part of our work, please forward this report to them or contact me at [chinesebibleschool@gmail.com](mailto:chinesebibleschool@gmail.com). Your sharing our website [ChineseBibleSchool.org](http://ChineseBibleSchool.org) to others would be greatly appreciated.

**All the Chinese video online views were over 10,000 in the month of August.**

**May the thanks be to the Lord, for it is His work we do.**
