

Chinese Bible School

MONTHLY REPORT—August 2021

Greetings from the Chinese Bible School. Thank you so much for your support and prayers for this Lord’s work. May the peace from God our Father and the Lord Jesus Christ be with you all.

We are glad that the video recording for the first nine lessons of the book of *Acts* were completed. These lessons covered the first six chapters of the book. The titles of each lesson are as follows: (1) Introduction, (2) Waiting for the Promise of Holy Spirit, (3) Fulfilling the Promise of Holy Spirit, (4) Holy Spirit Convicting the World, (5) What Must I Do to be Saved, (6) Peter Healed a Lame Man, (7) Peter and John Judged before Sanhedrin, (8) Apostles Confronting Lying and Persecution, and (9) The Church Facing Internal and External Challenges. The video post-production including onscreen graphics production and video editing is in processing. I am thankful for my dear wife Yolanda and brother Chin Yong in Malaysia for their collaborative effort for the work of video post-production. We are hoping the final videos can be uploaded for public view at the end of September.

Our Tencent QQ and WhatsApp online Bible study groups have completed the study of the book of *Acts*. We are thankful for the steadfastness of the students who spent 26 Thursday evenings studying this great book. I appreciate the dedication of those who love the Lord and His word. May God continue to bless them in perusing the growth in the knowledge of God. We will come back to the book of *Genesis* to study the things “in the beginning” for our next course of study. There are 35 group members, from China, Taiwan, and Malaysia, who have expressed the desire to study this coming course. May God bless our study.

With the providence of God, the work of the Chinese Bible School has been more than 4 years since March 2017. As of today, 97 video lessons each in traditional Chinese and simplified Chinese have been completed and received more than one million views on YouTube. These views only contain 10% of the Chinese-speaking population because another 90% of them are in China where has limited access to the videos outside of the nation. In order to allow the people in China to download and watch the videos, we continue to upload the videos to the Tencent cloud in China so the members of the group can access those videos. We hope and pray the Lord will give an increase in numbers of the people who are able to hear the gospel of Christ.

Please continue to support this Lord’s work. To those who (in the USA) desire to support this great work, please make the check payable to “**University Church of Christ**” and indicate in the “For” or “memo” line that it is for Chinese Bible School.
