MONTHLY REPORT—September 2021

Dear brothers and sisters in Christ, may this report find you well in all things. Although the pandemic seems to never end, it is not totally negative. People spend more time on the internet that gives us the opportunity to spread the gospel using the technologies for worldwide communication. May our Lord continue to bless the work of the Chinese Bible School so many Chinese-speaking souls can find the truth through this Lord's work.

We are glad that the video post-production for the first nine lessons covering the first six chapters of the book of *Acts* in Traditional Chinese has been completed. We are working on the Simplified versions of these nine video lessons. I am thankful for my dear wife Yolanda and brother Chin Yong in Malaysia for their collaborative effort for the work of video post-production. The final video lessons both in traditional and simplified versions will be completed and uploaded to YouTube in mid-October. In addition, we have completed the manuscripts for another four video lessons covering the materials from chapters 7 to 9 of the book of *Acts*. Proofing the manuscripts will follow.

Our Tencent QQ and WhatsApp online Bible study groups have initiated the new course lesson on the book of *Genesis*. In September, we have completed three lessons of study covering the first three chapters of the book of *Genesis*. There are 35 group members, from China, Taiwan, and Malaysia, who show the desire to study more in their busy schedules. May God bless those who hunger and thirst after His word and His righteousness.

Three video lessons from the Chinese Bible School have been running on the internet for the Internet Evangelism Campaign by the World Video Bible School. They are "Where Do You Go When You Die?" "What Must I Do To Go To Heaven?" and "Why Are There So Many Churches?" When people search for related topics on YouTube, one of the above three videos is offered as an answer to the search. Those who spend more than 30 seconds watching the video count as a viewer. Through September 2021, over 19,500 hours worth of the gospel in Chinese has been shared with over 178,000 souls around the world in this endeavor, even though mainland China has limited access to the internet outside China. Among those views, over 2,700 followed the link to the Chinese Bible School website. The top ten countries or regions where have the most view are as follows: Malaysia, Taiwan, Indonesia, Hong Kong, Thailand, Vietnam, Singapore, Philippine, India, and Argentina. We are thankful for this internet campaign program by WVBS. May God give the increase.

**All the online Chinese video views in September 2021 were over 37,000.**
